## XI Europejska Konferencja Corporate Governance

> [Events under Presidency patronage](#)

The 11th European Corporate Governance Conference (ECGC) is an important event in the calendar of most Member States that take Presidency. Every conference gathers some 300 attendees, most of them from abroad. We expect a similar number of guests in Warsaw, too. The previous editions were held in Stockholm, Madrid and Brussels. However, the Hungarians waived the opportunity. Among the conference speakers, there always are high officials of the European Commission. We invited Commissioner Michael Barnier to come to Poland. The Corporate Governance Conference is an opportunity for the corporate governance community to share their perspectives at an international level, and thus traditionally, in addition to the plenary part that is planned to take place in Warsaw on 15 November 2011, on the preceding evening a reception is thrown to enable less formal exchange.

The Honorary Committee of the 11th ECGC has already been established chaired by Ludwik Sobolewski, PhD, President of the Warsaw Stock Exchange which organizes the conference. The Committee is made up of Professor Stanisław Sołtysiński, Of counsel, Sołtysiński Kawecki & Szlęzak, Andrzej S. Nartowski, President of PID, Wiesław Rozłucki, PhD, President of PID's Programme Board, Henryka Bochniarz, President of PKPP Lewiatan, Professor Grzegorz Domański, Partner at Domański Zakrzewski Palinka, Professor Marek Belka, President of the National Bank of Poland. An invitation was also sent to Professor Jerzy Buzek.

The main themes of the ECGC will include: diversification in Supervisory Boards, with particular focus on the importance of women's participation in boards, cross-border issues and initiatives fostering corporate governance. Also, the content of the Green Book on corporate governance in public companies will be presented. Find more at [www.ecgc.pl](http://www.ecgc.pl)
